HOROSCOPE

April 12 - April 18, 2013

Aries (March 21 - April 20)

Empty promises are evident; therefore, get it in writing, to be safe. You will be too quick to point your finger at your mate. Expect to have problems with the ones you love. Make sure to arrange in advance to spend quality time together. Your lucky day this week will be Thursday.

Taurus (April 21 - May 20)

You will be a bit of a spendthrift this week. Your temper could get the better of you if you confront personal situations. Restrictions may be difficult for you to live with, but try to do things by the book. If you're in the mood, go out and socialize, or get involved in sports activities.

Your lucky day this week will be Thursday.

Gemini (May 21 - June 20)

Use your quick wit to win points and friends. Concentrate on getting ahead financially and let your personal life settle down for a while. Try to be fair in your dealings with acquaintances. Put your energy into behind the scenes activities.

Your lucky day this week will be Sunday.

Cancer (June 21 - July 20)

Don't overreact to someone's advances. Beware of someone who is trying to make you look bad. Go with the flow and don't let the unsettled atmosphere get on your nerves. Personal alterations will be in your best interest.

Your lucky day this week will be Tuesday.

Leo (July 21 - Aug. 21)

Your partner may be reluctant to tell you how they feel. Unexpected bills may set you back. You will be confused about the intentions of someone you work with. You can make new friends who could turn into intimate connections if you join clubs or take creative courses.

Your lucky day this week will be Monday.

Virgo (Aug. 22 - Sept. 22)

Don't consume more than necessary. You will reach the most people if you speak out at an organizational function. Cutbacks at work will be a cause for worry. You are ahead of your time, and trying to stay in one spot could be asking too much.

Your lucky day this week will be Saturday.

Libra (Sept. 23 - Oct. 22)

You need to look into some private matters before you can proceed with your plans. You need to make your lover feel wanted, not like a piece of the furniture. Family outings will make you feel secure and happy. Family talks may get a little combative.

Your lucky day this week will be Friday.

Scorpio (Oct. 23 - Nov. 22)

Don't do something silly just to get back at your mate. Concentrate on work. You are best to move quickly and to get in good with the boss. You can become obsessed with detail and must be sure to divide your time appropriately.

Your lucky day this week will be Tuesday.

Sagittarius (Nov. 23 - Dec. 20)

Someone you live with may cause drastic alterations in your usual routine. Your greatest gains will come through your creative ideas. Valuable information can be yours if you listen to those with experience. You'll find it easy to talk about your feeling this week. Don't hesitate to find out what your mate's intentions are.

Your lucky day this week will be Saturday.

Capricorn (Dec. 21 - Jan. 19)

You're ready to take action and take over. Sign up for courses or join fitness clubs. Trouble could be brewing at home. People you live with will not be terribly happy with you regardless of what you do this week.

Your lucky day this week will be Friday.

Aquarius (Jan. 20 - Feb. 18)

Take part in stimulating debates that will allow you to show off your intelligence. You will find that joint ventures could easily turn out to be dead end projects. You can receive recognition for the work you've done. You're in the mood for love.

Your lucky day this week will be Wednesday.

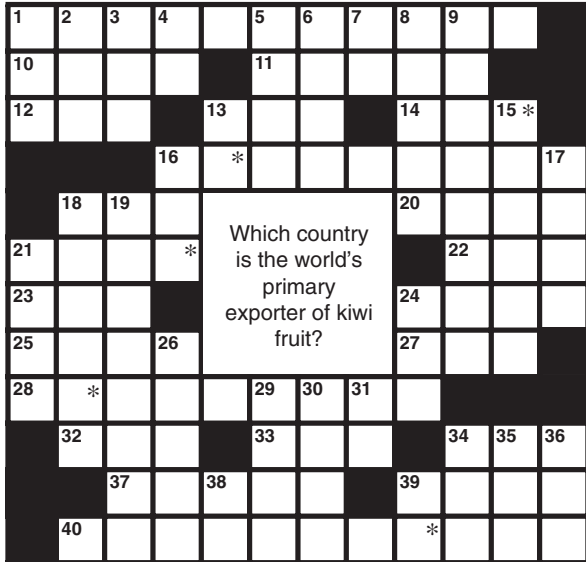

Pisces (Feb. 19 - March 20)

You may be torn between two possibilities. This has left you in a confused and uncertain state. Direct your energy into physical entertainment. Heart to heart talks will clear up vague issues. Empty promises could be likely where work is concerned.

Your lucky day this week will be Sunday.

MONEY-SAVING OPPORTUNITIES ON THIS YEAR'S TAXES

(NAPSA)-Though preparing and filing your income tax return may not be "fun," you may be consoled by the fact that Uncle Sam is literally offering hundreds of credits and deductions this year. Though you won't qualify for all of them, you may qualify for some of the more common tax breaks, including:

A Few Of This Year's Tax Breaks

- The Child Tax Credit is worth up to \$1,000 per eligible child and is refundable for taxpayers with an earned income of over \$3,000.
- Parents who work or attend school and pay for child care may qualify for the Child and Dependent Care Credit. The maximum amount is \$3,000 per qualifying dependent or \$6,000 for two or more qualifying dependents under the age of 13.
- The Earned Income Credit is for working taxpayers with low to moderate income. The refundable credit amount is based on filing status, number of qualifying children and income level. Families with three or more qualifying children could qualify for up to \$5,891.
- The refundability of the Adoption Credit has expired but the credit is still available and worth up to \$12,650 in qualified expenses for 2012.
- You could deduct up to \$4,000 for college tuition and fees paid in 2012.
- Paying off student loans? You may be able to deduct up to \$2,500 in interest paid during 2012.
- The American Opportunity Tax Credit is worth up to \$2,500 per student for postsecondary tuition, fees and course materials.
- Contributing to a Coverdell Education Savings Account? You can exempt a maximum of \$2,000 per student in annual contributions.
- If itemizing your deductions, you may be able to deduct mortgage insurance premiums paid in 2012.

Expert Tips

Now that you have these down, use these tips from TaxACT spokesperson Jessi Dolmage to make tax time easier:

- Get organized. Gather all your tax forms (W-2, 1099, 1098, etc.), receipts and a copy of last year's return. Make sure you don't forget important information by using TaxACT's free return checklist at www.taxact.com/checklist.
- You can prepare, print and e-file your federal tax return free with TaxACT Free Federal Edition. It includes all e-fileable forms and offers instant, personalized help every step of the way.
- According to the IRS, more than nine out of 10 refunds were issued in fewer than 21 days last year. For the fastest possible refund, e-file and choose direct deposit. You can even track your federal refund with Where's My Refund at www.irs.gov.
- Don't miss the filing deadline if you want to avoid late-filing penalties and interest fees. If you need more time to file, e-file Form 4868, an automatic six-month extension, by the deadline. Just remember, an extension to file is not an extension to pay. Be sure to pay all the taxes you owe by April 15th.

RECIPE OF THE WEEK BY CHEF CHIP

Grilled Jersey Asparagus with Strawberry Hollandaise Sauce

Ingredients:

1 lb. Jersey asparagus, 1/4 cup sugar,
 1 Tbs. Olive oil, 1 Tbs. balsamic vinegar,
 Kosher salt to taste, 1/2 cup Hollandaise Sauce
 1/2 cup strawberries,

Preparation:

Pre-heat grill to high. Mix asparagus, oil, & salt. Place strawberries & sugar in small sauce pot over high heat. Stir berries & sugar when they start to form a syrup. Next, add balsamic vinegar. Cook until vinegar reduces for about 2 min. Remove from pan & allow mixture to cool to room temperature. In a small bowl, mix w/hollandaise sauce. Grill asparagus for about 3-5 minutes cooking evenly. Plate & top w/ sauce. It's almost Jersey asparagus time & this is sure to be a winner! Enjoy!

DRAWING EVERY MONDAY WINNER ANNOUNCED IN OUR NEXT EDITION

Cape May County has always been a great place to shop for antiques and other unique treasures. Many new shops have been opening up which offer different items daily. No matter if you are a seasoned collector, dealer or just out shopping for the day, you have a variety of shops to explore. Check out the map on next page for a shop near you.

Hello, my name is Pete Wilson. I will be answering your questions and writing articles about my job and experiences. I am the owner of North End Thrift located in the Villas. We carry a wide selection of items from antiques, collectibles, furniture, jewelry, coins, military items, sports memorabilia, fishing, hunting, nautical, records and so much more. Over the past several years I have bought, sold and traded some super cool rare items as well as truck loads of items that I have found in local houses, storage units, barns and businesses. I never know what might come into one of my shops on a daily basis or what I may find when I do a clean out or buy a storage unit. I will be doing interviews with other local business owners who have shops similar to mine. Shops like Prink Me Indoor Flea Market, Destiny's Closet Consignment Shop and August Farm House who's owner Arthur Schwerdt is probably the most knowledgeable man in south jersey on antiques.

I never know what might come into one of my shops on a daily basis or what I may find when I do a clean out or buy a storage unit. Last Week's Question for Pete: Joe in Wildwood asked: Being so close to Cape May and its history, have you ever come across anything that was used by a famous person, or a historical figure?

Pete Responds: Yes, I have found some interesting items. One of my favorites was an autograph from President Kennedy. I actually flew to Las Vegas and visited the famous pawn shop to help me authenticate it. I have also come across some very old photos of Cape May and old postcards which I love to buy and sell.

This Week's Question Comes from Jim in Wildwood Crest: I have a collection of old mugs and glasses. Could there be any value in these? What is it that I could look for that would let me know if they are valuable?

Send me your questions. Do you have something you always wanted to find out about? Interested in finding out more about what I do? Have a thought or concern about the industry? How do you know when to sell Gold and silver? Question about Ebay or online sales, Craigslist? Best way to buy or sell an item? Send in your questions or pictures and I will do my best to answer them. Send them to tjjerseycape@comcast.net or northendthrift@gmail.com. You can also call 609-741-4132
