HOROSCOPE

OCTOBER 31, 2015 - NOVEMBER 6, 2015

ARIES • (Mar. 21 - April 20)

Be diplomatic when dealing with in-law. Groups and organizations that indulge in social events to raise money will be conducive to meeting new and exciting lovers. Your pilgrimage may end up being fruitless. Empty promises and a lack of cash may put a damper on your plans.

TAURUS • (Apr. 21- May 21)

Don't upset elders in your family who don't understand your present situation. Your determination may make you a little overbearing when dealing with others. Entertainment could cost you more than you expect. Your personal partner may be less than willing to accommodate you this week.

GEMINI • (May 22 - June 21)

Stop telling others about your problems. Responsibilities with respect to older relatives may be a burden. Cutbacks at work will be a cause for worry. Problems on the home front might be a little disconcerting.

CANCER • (June 22 - July 22)

Try not to spend too much on children or entertainment. You haven't been totally honest with yourself and it's time to review your motives. Take whatever time you can to get to know each other all over again. You can make money but not through harebrained schemes or gambling.

LEO • (July 23 - Aug 22)

Drastic changes regarding your personal attitude are evident. Sudden changes of heart may cause disruptions in your domestic scene. Don't be too confident that coworkers are on your side. Put some energy into getting back into shape. Listen to reason.

VIRGO • (Aug. 23 - Sept. 23)

Emotionally you won't see things accurately. You can't lose this week unless you get involved in gossip or overwork to the point of exhaustion. You will encounter those who can help you further your goals if you attend functions that attract prominent people. Tie up your personal papers or push to have legal settlements completed.

LIBRA • (Sept. 24 - Oct. 23)

You will meet new friends and enjoy a multitude of new activities. Trips should be your choice. You will be quite excitable this week. You may cause a fuss if you come on too strongly in public.

SCORPIO • (Oct. 24 - Nov. 22)

Take a look at investment opportunities. Focus on using your creative abilities in other ways. Spend time by yourself to avoid any conflicts with family members. This week is not the day to try to corner people by giving them ultimatums.

SAGITTARIUS • (Nov. 23 - Dec. 21)

Use your charm, but don't sign or agree to anything. Your greatest enjoyment will come through social activities and pleasure trips. Look into intellectual and physical games that will test your abilities. You will be able to make financial gains.

CAPRICORN • (Dec 22. - Jan. 20)

You might have a problem juggling your time. Take care of your personal needs. Risks will not be profitable. You can continue to make gains if you call a few people who can help you close an important deal.

AQUARIUS • (Jan. 21 - Feb. 19)

Do not let your mate annoy you; patience will be the key. Someone you live with will be quite unreasonable this week. Empty promises and a lack of cash may put a damper on your plans. You will have to be sure not to burn the candle at both ends.

PISCES • (Feb. 20 - Mar. 20)

If you can't trust someone, question the connection. You can look around for the right place and enlist some of your friends to help you move. Don't divulge secret information. Get out and, about.

If you are looking for a casual, warm and friendly atmosphere with great food then make sure you stop by the Rio Station. Whether it be a lunch with friends or a family dinner with award winning wine you will not be disappointed. They are located at 3505 route 9 in Rio Grande.

Funny story... six years ago I walked into the front bar, looked around and walked out. I never realized there was an entire restaurant in the back. It was thanks to my good friend who kept telling me that she loved eating here, that I finally decided to try it out. Too bad I waited so long.

For lunch we ordered a grilled chicken caesar salad and opted to top it with their house dressing which is creamy italian garlic. We also ordered a buffalo steak sandwich with hot sauce and blue cheese crumbles. Both were excellent choices. The waitress was friendly, knowledgeable and very attentive. I could tell she was well trained.

They have an extensive wine list which includes selections from around the world. They have won Wine Spectator's Award of Excellence for the past years. Although I did not have a glass of wine I did try their black and white chocolate martini and it was delicious.

The menu offers a wide range of options that are both homemade and made from scratch. On Monday to Friday from 4 to 6 they offer an early bird special. Ranging from 12.99 to 18.99, you get a choice of 7 entrees that includes a house salad and your choice of 2 sides. I recommend K.C.'s world famous crab cakes with a side of red mashed potatoes.

So the next time you drive by the Rio Station make sure you stop in and eat! Tell them Bella sent you.

Buon Appetito,
Bella

ASK THE NJ THRIFT MAN

Cape May County has always been a great place to shop for antiques and other unique treasures. Many new shops have been opening up which offer different items daily. No matter if you're a seasoned collector, dealer or just out shopping for the day, you have a variety of shops to explore. Check out the map on the next page for a shop near you.

Hello, I am the New Jersey Thrift Man. My purpose is to reuse, repurpose and relove those hidden treasures that I find around your area, or I find when I do a house clean-out. I will be answering your questions and writing articles about my job and experiences dealing with collectables, antiques, toys, furniture and more.

Last week's question came from Sammy in North Wildwood. Sammy asked, "Can you give me some advice about online bidding for antique toys? What should I look for in the images and descriptions to prove authenticity and good condition?" Being an informed buyer is always your safest bet. I use the Internet to research items before I purchase them. We also use different reference books and after time learn to identify what is real and what is fake. I always assume if in question the item is fake until proven real. However even reproductions can bring lots of money so even fakes are good sometimes.

This week's question comes from Tricia in Cape May. Tricia asks, "From your experience, what's the best way to get my items to stand out among the other listings on Craigslist and other local online sales?" Send me your questions. Do you have something you always wanted to find out about? Interested in finding out more about what I do? Have a thought or concern about the industry? What kind of items or appliances should I buy used? Questions about Ebay, online sales or Craigslist? Best way to buy or sell an item? Send in your questions or pictures and I will do my best to answer them. Send them to tvjerseycap@comcast.net or northendthrift@gmail.com or call 609-741-4132.

WE ARE NOW BUYING AND SELLING GOLD AND SILVER, JEWELRY AND COINS.

Lights Out? Check Your Vehicle!

Fall is here and its arrival means fewer hours of daylight and upcoming holiday travel. Before hitting the road, it is a wise idea to make sure your vehicle's lights are in proper working order, says the non-profit Car Care Council. Lights are normal wear items that require periodic inspection and replacement. The vehicle lighting system provides nighttime visibility; signals and alerts other drivers; and supplies light for viewing instruments and the vehicle's interior.

In addition to replacing dimming, rapidly blinking and non-functioning lights, the following tips can help keep you safe:

- Keep headlights, tail lights and signal lights clean. External dirt and debris can dim operational lights from being seen by others.
- Make sure that your headlights are properly aimed. Misaimed headlights blind other drivers and reduce your ability to see the road.
- If there is any doubt on whether or not your headlights should be on, turn them on. Lights not only help you see better in early twilight, they also make it easier for other drivers to see you.
- Don't overdrive your headlights; you should be able to stop inside the illuminated area, otherwise you are creating a blind crash area in front of your vehicle.
