# HOROSCOPE

NOVEMBER 13, 2014 - NOVEMBER 19, 2014

**ARIES • (Mar. 21- April 20)**

This week you might feel empowered to take action on a goal or plan that's important to you. Along with this, a dip in energy could temporarily dent your confidence, but it's worthwhile forging ahead, whatever it takes. By the weekend you'll feel more like your old self and eager to see what the future holds.

**TAURUS • (Apr. 21- May 21)**

While relationships may have been both rewarding and trying for a while, this week adds a new dimension to certain close connections. Romantic options bring the potential for a love adventure.

**GEMINI • (May 22-June 21)**

Success may depend on a careful handling of resources along with the willingness to recycle items, skills, and abilities that may have been cast aside. Romantic options sizzle if you're looking for love.

**CANCER • (June 22-July 22)**

Do you feel you're sacrificing your purpose in life in order to make someone feel better? If so, this week's alignment may encourage you to sort things out. If a family member, pal, or sweetheart resents the amount of time you spend on getting ahead, you'll need to have a firm talk.

**LEO • (July 23-Aug 22)**

This week's blend of energies encourages you to consider if you've been deluding yourself. A realistic and down-to-earth set of transits can give you vital perspective on what's happening and what you need to do about it.

**VIRGO • (Aug. 23 -Sept. 23)**

Your personal experiences may be rather intense, particularly if you're involved in an all-consuming romance or creative project. It might help to stand back from your situation and take a break now and again.

**LIBRA • (Sept. 24 -Oct. 23)**

Reorganizing your financial affairs while taking the lead concerning home and family developments could keep you busy this week. If money is tight, you might try recycling, bartering, or other methods that encourage the exchange of goods or services.

**SCORPIO • (Oct. 24 - Nov. 22)**

You may have a lot on your plate, but a willingness to wade in and tackle seemingly messy problems will help ease anxiety in the long term. Don't let temporary discouragement put you off. This isn't the time to quit but to increase the pace and persevere until things are resolved to your satisfaction.

**SAGITTARIUS • (Nov. 23 -Dec. 21)**

This could be an introspective week when you may benefit from an in-depth exploration of key issues in your life. This can be a good time for counseling or therapy.

**CAPRICORN • (Dec 22.- Jan. 20)**

You may feel very motivated to take action regarding a key issue that has been bugging you for some time. Going ahead could mean you resolve matters fairly quickly, easing angst and leaving you feeling much more optimistic about the future.

**AQUARIUS • (Jan. 21 -Feb. 19)**

There's a chance that hurrying might lead you to make the wrong decision. Talking things over with someone who has knowledge of your predicament might be helpful at this stage. Your social life explodes into life starting this weekend!

**PISCES • (Feb. 20-Mar. 20)**

A social situation could lead to a crunch question or decision early on, so be ready! At the same time, you'll be eager to forge ahead, particularly when it comes to plans and ideas that can deliver positive challenges and dynamic change.

**Don't Let Your Car Gobble up Your  
Hard-Earned Money**

While you're busy preparing for another holiday season, don't let car care take a back seat. Neglected auto care almost always means much higher costs down the road in the form of more extensive repairs or lost resale value. The non-profit Car Care Council recommends that you be car care aware to ensure your car doesn't gobble up your hard-earned money. "If you're like most Americans, you're busier than ever this time of year and may find yourself putting off vehicle maintenance," said Rich White, executive director, Car Care Council. "It's important to remember that routine auto care means big savings by improving fuel economy, extending vehicle life and reducing the chance of costly car trouble."

The Car Care Council suggests a quick vehicle check to help avoid the unplanned expense of a breakdown when traveling by car this holiday season.

- Check the tires, including tire pressure and tread. Uneven wear indicates a need for wheel alignment. Tires should also be checked for bulges and bald spots.
- Check all fluids, including engine oil, power steering and brake and transmission, as well as windshield washer solvent and antifreeze/coolant.
- Check the hoses and belts that can become cracked, brittle, frayed, loose or show signs of excessive wear. These are critical to the proper functioning of the electrical system, air conditioning, power steering and the cooling system.
- Check lighting to identify any problems with exterior and interior lighting, as the chance of an accident increases if you can't see or be seen.
- Check wipers. Wiper blades should be replaced every six months. Make sure the windshield wipers are working properly and keep the reservoir filled with solvent.

The Car Care Council also recommends that motorists restock their emergency kit. To save on fuel costs during the trip, the council suggests that motorists avoid aggressive driving, observe the speed limit and avoid excessive idling. Gas caps that are damaged, loose or missing should be replaced to prevent gas from spilling or evaporating.

**Just Answer This Week's Question:**  
**What was the first department store to hold  
a Thanksgiving Day Parade?**

**Please Email Response to [tvjerseycape@comcast.net](mailto:tvjerseycape@comcast.net)**

**Last week's winner: Monica D'Agostino    The answer: Romulus and Remus**

### ASK THE NJ THRIFT MAN

Cape May County has always been a great place to shop for antiques and other unique treasures. Many new shops have been opening up which offer different items daily. No matter if you're a seasoned collector, dealer or just out shopping for the day, you have a variety of shops to explore. Check out the map on the next page for a shop near you.

Hello, I am the New Jersey Thrift Man. My purpose is to reuse, repurpose and relove those hidden treasures that I find around the area, or I find when I do a house clean-out. I will be answering your questions and writing articles about my job and experiences dealing with collectables, antiques, toys, furniture and more!

**Last week's question came from from Gina in Wildwood. Gina asked, "What standards do thrift stores hold in accepting used clothes?"**

Our standards for accepting used clothing are actually very high. We often get clothing from clean outs and from donations. However, only a small percentage we sell in our shop and the rest we donate to American veterans and other organizations. We only sell good quality clean clothing.

**This week's question comes from Paul in Avalon. Paul asks, "With Thanksgiving around the corner, will I be able to find matching plate sets for a big dinner in your store?"**

Send me your questions. Do you have something you always wanted to find out about? Interested in finding out more about what I do? Have a thought or concern about the industry? What kind of items or appliances should I buy used? Question about Ebay or online sales, Craigslist? Best way to buy or sell an item? Send in your questions or pictures and I will do my best to answer them. Send them to [tvjerseycape@comcast.net](mailto:tvjerseycape@comcast.net) or [northendthrift@gmail.com](mailto:northendthrift@gmail.com), or you can also ask them by calling 609-741-4132.

**WE ARE NOW BUYING AND SELLING GOLD AND SILVER, JEWELRY AND COINS.**
