HOROSCOPE

JANUARY 9, 2016 - JANUARY 15, 2016

ARIES • (Mar. 21 - April 20)

Enjoy taking courses or lecturing others. Don't overdo it. You need to enjoy yourself. Friends may not be completely honest with you. Controversial subjects should be avoided at all costs.

TAURUS • (Apr. 21- May 21)

Do not ruffle feathers if possible. Help children complete projects they're having difficulty with. Ignore colleagues who appear to be going in circles. Unforeseen changes in your location are apparent.

GEMINI • (May 22 - June 21)

You have done all you can to sort things out a personal level. You will have to make some changes regarding your direction if you wish to keep on top of your career expectations. This is not the day to be extravagant. Be prepared to take advantage of your good fortune.

CANCER • (June 22 - July 22)

Your attitude could be up and down like a yo-yo. You should be doing something special with children. Include friends and family members in your redecorating plans. You can clear up important legalities and sign contracts this week.

LEO • (July 23 - Aug 22)

You have to feel free to come and go as you please to achieve happiness. You will have to make some changes regarding your direction if you wish to keep on top of your career expectations. Your mind will be wandering to exotic destinations. Don't be afraid to talk to close friends or relatives about pressing personal problems.

VIRGO • (Aug. 23 - Sept. 23)

Consider applying for a job in another part of the world. However, be careful with luggage; it may be rerouted. You can't help everyone. Try to be honest when dealing with your mate.

LIBRA • (Sept. 24 - Oct. 23)

Try to calm down and listen to your partner's complaints. Compromise may be necessary. Don't let others put unreasonable demands on you. You can expect changes in your living arrangements. Your ability to deal with humanitarian groups will enhance your reputation.

SCORPIO • (Oct. 24 - Nov. 22)

For best results get out of the office and do your job en route. Do what you can to help them but don't neglect your own family. Minor health problems will cause setbacks if you haven't taken proper care of yourself. Don't neglect these problems; deal with them once and for all, then move on to more pleasurable tasks.

SAGITTARIUS • (Nov. 23 - Dec. 21)

Some of that extra energy you have stored up might just be put to good use. Outdoor sports events should entice you. Travel will also be very informative. Use discretion, especially if involved with someone from work.

CAPRICORN • (Dec 22. - Jan. 20)

Join groups of a humanitarian nature. You're intuitive this week; however this attribute could get you in trouble if you tactlessly say what you think. Visit friends or relatives you don't get to see very often. Your energetic nature and ability to initiate projects will add to your popularity.

AQUARIUS • (Jan. 21 - Feb. 19)

You will be able to work with fine detail this week. Do not get involved in joint financial ventures. Opportunities for new friendships are apparent. You can make alterations to your appearance that everyone will admire.

PISCES • (Feb. 20 - Mar. 20)

Your romantic inclination should lead to a committed relationship. Business conducted in your own office will proceed smoothly. Empty promises are evident. Romance could develop through social activities or short trips.

How to Store Your Car for Winter - Part 2

FLUIDS AND POWER - It's a good idea to use fuel stabilizer. Why? Most ethanol-blended fuels have a shelf life of only about three months. If you're storing a car for six months, fuel stabilizer should help prevent corrosion in the fuel lines and engine. Add fuel stabilizer to a nearly full gas tank.

It's also a good idea to change your car's oil and oil filter and check and top-up all other fluid levels before storing your car. If you live in a colder climate, make sure your car has enough antifreeze. Once you've topped off the fluids and added fuel stabilizer, take your car out for one last ride to circulate the new fluids.

Your car battery should be either removed and stored, or connected to a trickle charger or battery tender. You can get one for less than \$50. Make sure your battery tender or charger has a float mode or automatic shutoff feature so the battery doesn't get overcharged.

You can run the battery tender's cables up through the underside of the engine bay so that you can keep the hood closed and your car cover in place.

If you want to remove the battery but still have it on a battery tender, set it on a piece of wood in your garage and attach it to the tender. Make sure not to lose track of the two battery bolts. Keeping your car's battery charged prolongs the life of the battery, and you don't have to wonder whether your car will start.

You can also remove the battery and store it in a warm room in your home. Keep in mind that cold batteries can freeze and may crack.

CHEF CHIP'S WILD GAME AND SEAFOOD RECIPE

SOUTH JERSEY FRIED RABBIT

Ingredients:

- 2 Whole Rabbits Cut into Serving Size Pieces
- 2 cups Buttermilk
- 2 cups Finely Ground Semolina Flour
- 2 Tbsp Paprika
- 1 Tbsp Garlic Powder
- 1 Tbsp Onion Powder
- 1 tsp Cayenne Pepper
- 1 Tbsp Ground Rosemary
- 1/2 tsp Ground Sage
- 1 tsp Fresh Cracked Black Pepper
- Kosher salt to taste
- Peanut Oil for Frying

Preparation: Brine rabbit pieces overnight in refrigerator. The next morning, remove rabbit from brine & rinse with cold water. Soak rabbit in buttermilk all day in the refrigerator. The evening before cooking, remove the rabbit & drain off the majority of the milk. In a large zip lock bag, combine flour, herbs & seasonings. Preheat fryer to 350°. Dredge the rabbit pieces in the bag, seal & mix well. Remove rabbit & shake off excess flour. Fry rabbit until golden brown & place on paper towels. Plate & serve with grits, wild rice or a nice potato croquet. Rabbit is a great source of protein, mild in taste & often overlooked. Enjoy!
Hint: Most grocery stores do carry domestic rabbit if you can't get wild.

Just Answer This Week's Question:

In The Simpsons, where does Bart go as a foreign-exchange student?

Please Email Response to tvjerseycape@comcast.net

**LAST WEEK'S WINNER WAS MICHAEL FROM DIAS CREEK.
THE ANSWER WAS PATRICK HENRY.**

ASK THE NJ THRIFT MAN

Cape May County is a great place to shop for bargains including antiques and many other treasures. No matter if you're an avid collector, a dealer or just out shopping for the day, you have a wide variety of shops to explore. Because thrift shop inventories change on a daily basis, your shopping can become an enjoyable treasure hunt. (Several new shops have opened recently, so check out the map on the next page for those near you.)

Hello! I am the New Jersey Thrift Man. My objective is to enable you to reuse, re-purpose and re-love those hidden treasures that your friends, relatives and neighbors no longer have use for or I find when we do house clean-outs. I will be answering your questions each week as well as writing about what I do and my experiences dealing with collectibles, antiques, toys, furniture, jewelry, coins and more.

Last week's question came from Diane in Wildwood Crest. Diane asked, "**My New Year's Resolution, like almost everyone else, is to get in shape but I don't want to join a gym. Do you have exercise equipment or training aids?**" Yes, North End Thrift carries both exercise and weight lifting equipment. We carry things like walkers, treaders, climbers, Nautilus, weights, weight benches, curling bars, Pilate balls and different machines.

This week's question comes from Brooke in Swainton. Brooke asks, "I just broke up with my boyfriend and want to get rid of all the jewelry he gave me. Do you appraise jewelry and how do you determine the value?" Send me your questions.

Do you have something you always wanted to find out? Interested in KNOWING more about what we do and how we do it at North End Thrift? Have a thought or concern about buying or selling anything? Curious about what kinds of items and appliances you should and should not buy used? Questions about online selling via eBay or Craigslist? Best way to buy or sell a particular item? Send in your questions, including pictures if you wish, and I will do my best to answer them. Email your questions to tvjerseycape@comcast.net.

WE BUY AND SELL GOLD AND SILVER - JEWELRY AND COINS.
