# HOROSCOPE

JULY 5, 2015 - JULY 11, 2015

### ARIES • (Mar. 21- April 20)

Don't turn down offers that include sports activities or children. You need to get down to basics with regard to yourself. You can get ready to celebrate your new direction. You can get the attention of important individuals but it might not be the time to get them to help or to back your ideas.

### TAURUS • (Apr. 21- May 21)

Acceptance will be necessary. Your high energy must be directed into productive goals, or frustrations will occur. You should put in some extra hours developing that creative idea you have. You may find that doing odd jobs around the house will be successful and appreciated by loved ones.

### GEMINI • (May 22-June 21)

You may be confused regarding your love life. Be inquisitive about unfamiliar circumstances. You may overspend if you travel this week; however, the trip will be one to remember. Your changing philosophies may lead you into new circles and open doors that will give you a unique outlook on life.

### CANCER • (June 22-July 22)

Try to keep any mood swings under control; they may result in alienation. You are best not to discuss your personal life with others. However, be careful with luggage; it may be reloaded. Social events may lead to a romantic interlude.

### LEO • (July 23-Aug 22)

Try to spend some time on your own. Spend time with your lover this week. Be sure to sidestep those who are eccentric or unpredictable. Don't let your emotional upset interfere with your professional objectives.

### VIRGO • (Aug. 23-Sept. 23)

Don't upset elders in your family who don't understand your present situation. Don't count on correspondence to clear up major problems. You may have the day off but your thoughts will be on your work and your cash situation. It's a good time for long-awaited relationships to begin.

### LIBRA • (Sept. 24-Oct. 23)

You could be emotional if you didn't take care of problems with loved ones. Travel should open doors that lead to exciting new adventures. Pleasure trips will be most enjoyable and should lead to new and lasting friendships. Everything is moving quickly, just the way you like it.

### SCORPIO • (Oct. 24 - Nov. 22)

Don't let peers distract you or push their work your way. Finish off old projects before starting something new. Be sure not to reveal private information to the wrong individuals. Travel and creative hobbies will be your best outlet.

### SAGITTARIUS • (Nov. 23-Dec. 21)

Don't overspend on children or on large purchases. Uncertainties about your living arrangements may be unnerving. You can make changes to your living quarters that should please family members. Don't let other people meddle in your private affairs.

### CAPRICORN • (Dec 22.- Jan. 20)

Realize that you don't have to do everything yourself. You may find that someone you really cared for in the past has come back into your life. Be prepared to encounter new friendships that will provide you with valuable information. You should be able to make major career gains if you plan your intentions carefully.

### AQUARIUS • (Jan. 21 -Feb. 19)

You will need to take a look at the renovations that are necessary and try to find the cheapest way to get things done. Don't hesitate to look for alternatives that will enable you to raise the kind of donations you need to do the job right. Your ability to deal with others will help you accomplish your goals. Think about starting your own small business.

### PISCES • (Feb. 20-Mar. 20)

You need to lie back and enjoy a little rest. Try to stay calm, and whatever you do, don't nag. You should be trying to clear up legal contracts that have been pending. Don't let your emotions get out of hand.

**WHAT** *It is truly a local favorite. Located in a quaint bayside town, it is well known and easy to find. They have softserve and hand dipped ice creams. Milkshakes, blizzards, frozen bananas, water ice, and sundaes. The prices are great and their portions are generous.*

**WHY** *Milky Way Ice Cream and Mini Golf has a true nostalgic feel of the neighborhood ice cream hang out. It's a perfect stop for the family on a hot summer evening for handmade ice cream treats followed by a game of putt-putt.*

## CHEF CHIP'S WILD GAME AND SEAFOOD RECIPE SKATE WINGS PICCATA

### Ingredients:

- 2 Fresh skate wings
- 1/4 Cup all purpose flour
- 1/4 Cup corn flour
- 1/4 Cup peanut oil
- 1/2 Minced shallot
- 1/3 Cup white wine
- 1 TBS. Rinsed capers
- 1/2 Fresh squeezed lemon juice
- 1 TBS. Whole unsalted butter

- 1 TBS. Fresh finely chopped parsley
- Salt & fresh cracked black pepper to taste

### Preparation:

Season skate wings with salt & pepper. Mix flours together in a zip lock or in a lipped dish. Season skate wings & dredge them into flour. Remove the wings and shake off excess flour. Place them into preheated oil (med-high heat). Sear both sides of the skate golden brown & remove them with a spatula to a paper towel. Leave a little oil in the pan & lower the heat to medium low. Add the shallots & cook till translucent. Add the white wine & lemon & bring to a boil. Drop the heat back to medium low again and add the skate back into the pan. Allow skate to cook through & the liquid to reduce a little. Remove pan from heat & skate to a plate. Swirl butter into the liquid to thicken. Add capers, parsley, seasoning & pour over the skate. Serve with a nice slice of lemon & some toasted garlic bread. Enjoy!

Hint: Careful not to over cook skate, it cooks quickly. Skate is inexpensive & abundant in South Jersey. Most people are leery to try skate & I have changed a lot of their minds.

**Just Answer This Week's Question:**  
**Which character did Tom Hanks play  
in early episodes of Family Ties?**

**Please Email Response to [tvjerseycape@comcast.net](mailto:tvjerseycape@comcast.net)**

**No winner from last week. The question will remain the same.**

### ASK THE NJ THRIFT MAN

Cape May County has always been a great place to shop for antiques and other unique treasures. Many new shops have been opening up which offer different items daily. No matter if you're a seasoned collector, dealer or just out shopping for the day, you have a variety of shops to explore. Check out the map on the next page for a shop near you.

Hello, I am the New Jersey Thrift Man. My purpose is to reuse, repurpose and re-love those hidden treasures that I find around the area, or I find when I do a house clean-out. I will be answering your questions and writing articles about my job and experiences dealing with collectables, antiques, toys, furniture and more!

Last week's question came from Cindy in Avalon. Cindy asked, "What water and beach toys (i.e. water slides, water guns) do you sell/buy?"

Yes, we buy and sell the beach toys beach chairs umbrellas and other items that you can use at the beach. We have a large selection of vintage beach tags as well.

This week's question comes from Randy in North Cape May. Randy asks, "Does North End Thrift carry wineglasses or full wineglass sets?"

Send me your questions. Do you have something you always wanted to find out about? Interested in finding out more about what I do? Have a thought or concern about the industry? What kind of items or appliances should I buy used? Question about Ebay or online sales, Craigslist? Best way to buy or sell an item? Send in your questions or pictures and I will do my best to answer them. Send them to [tvjerseycape@comcast.net](mailto:tvjerseycape@comcast.net) or [northendthrift@gmail.com](mailto:northendthrift@gmail.com), or you can also ask them by calling 809-741-4132.

### What is That Dashboard Light Telling You?

You may have noticed the illuminated symbols on your dashboard when you start your car. While these lights usually go off right away and are soon forgotten, motorists should be car care aware and learn the meaning of their vehicles' dashboard lights, says the non-profit Car Care Council.

"Warning lights on the dashboard are simply that, warnings. If one of the lights stays on after you start your car, you could potentially have a problem and should have your vehicle inspected for needed repairs," said Rich White, executive director, Car Care Council. "By checking your owner's manual and learning the meaning of each specific dashboard warning light, you'll be better prepared to take action if one illuminates."

While dashboard lights may vary by vehicle, the following are examples of common warning lights. See more lights in our Dashboard Maintenance Lights infographic.

#### Check Engine Light

The check engine light usually indicates that a vehicle system, such as the ignition, fuel injection or emission control, is not operating properly, even if the vehicle appears to be running normally. A glowing check engine light doesn't mean you have to immediately pull the car to the side of the road, but it should be inspected as soon as possible. A flashing check engine light requires immediate attention.

#### Brake System

An illuminated brake system light could mean the parking brake is on, the brake fluid is low, or there is an issue with the anti-lock braking system (ABS). Check to make sure the parking brake is off and have a professional technician check the brake fluid level and diagnose if there is an ABS issue.

#### TPMS (Tire Pressure Monitoring System)

The TPMS light indicates that a tire has low air pressure or there could be an issue with the sensor. Tire pressure should be checked immediately. Some vehicles will allow manual reset of the TPMS warning light while others may require you to bring the vehicle to a professional service technician to reset it.

#### Battery/Charging Alert

The battery/charging alert indicates that battery voltage level is below normal and the charging system is not functioning properly. Check battery terminals, alternator belt and battery condition.
