HOROSCOPE

AUGUST 22, 2015 - AUGUST 28, 2015

ARIES • (Mar. 21 - April 20)

Loss is evident if you don't consider all the angles. Do things that involve children. You will be extremely sensual; take precautions and don't take any risks. Let others know what your intentions are and be honest in your approach.

TAURUS • (Apr. 21 - May 21)

Get together with friends who like to participate in indoor sports. Your boss won't be too thrilled if you leave things unfinished. Sudden changes concerning coworkers may surprise you. You may find yourself changing plans for some form of entertainment.

GEMINI • (May 22 - June 21)

Keep your wits about you and be sure that you can trust those you confide in. You will learn easily if you put forth an effort. You will probably have to defend your mate. Make plans to do something special with the one you love.

CANCER • (June 22 - July 22)

Secret love affairs may be ending; however, you must be prepared for the restraints that will follow. Try to be precise in your communications. Go over your finances and figure out a solid budget. You will assist your partner if you have spent money on things that aren't necessary.

LEO • (July 23 - Aug 22)

Look into family outings or projects. You may find out that someone is trying to undermine you. Join a club to work off that excess energy, but consider ways of doing that without spending the money. You may be torn between two possibilities. The less left you in a confused and uncertain state.

VIRGO • (Aug. 23 - Sept. 23)

Entertain those who can provide you with valuable information and knowledge. Try to mix business with pleasure while traveling. Be sure to find out all you can before you commit to anything. You can easily wrap up overdue personal legal matters that have caused problems for you.

LIBRA • (Sept. 24 - Oct. 23)

Travel will stimulate your need to experience exciting new things. You can make money if you put your mind to it. Misunderstandings could cause confusion and upset. Elders may need your help.

SCORPIO • (Oct. 24 - Nov. 22)

Be prepared to step into the limelight if you wish to promote your ambitions. Don't divulge secret information. Discover opportunities based on the individuals you mingle with this week. You need to do something energetic and different.

SAGITTARIUS • (Nov. 23 - Dec. 21)

Use your ingenuity to manipulate things to get what you want. Someone you live with will be impossible. Don't push your luck with authority. Make plans to do the things you enjoy. You could have trouble persuading others to accept your ideas and opinions.

CAPRICORN • (Dec 22 - Jan. 20)

Get the red tape and the unwanted paperwork out of the way. Talk to someone you trust if you need advice about broaching the subject. Financial investments that deal with joint money can be extremely prosperous. Just be yourself.

AQUARIUS • (Jan. 21 - Feb. 19)

Concentrate on work. Don't give out any personal information that you don't want spread around. Short trips to visit others will do the whole family a world of good. Do not react too harshly when dealing with partners.

PISCES • (Feb. 20 - Mar. 20)

Now is the time to concentrate on building a strong financial future for your family. You can ask for favors and get sound advice from close friends or relatives. Disappointments are likely if your male embarrasses you in front of friends. Permit out information that will hold them responsible.

Just Answer This Week's Question:

What is the tallest artificial structure in the world,
standing at an impressive 2,722 feet tall?

Please Email Response to tvjerseycape@comcast.net

Last week's winner was Dorothy Pearson. The answer was The King's School, Canterbury

ASK THE NJ THRIFT MAN

Cape May County has always been a great place to shop for antiques and other unique treasures. Many new shops have been opening up which offer different items daily. No matter if you're a seasoned collector, dealer or just out shopping for the day, you have a variety of shops to explore. Check out the map on the next page for a shop near you.

Hello, I am the New Jersey Thrift Man. My purpose is to reuse, repurpose and relove those hidden treasures that I find around the area, or I find when I do a house clean-out. I will be answering your questions and writing articles about my job and experiences dealing with collectables, antiques, toys, furniture and more!

Last week's question came from Umar in Galloway. Umar asks, "Do you carry a variety of comic books and super hero merchandise?" Yes North End Thrift carries a large selection of comic books and graphic novels. We have a room filled with over 15,000 comic books. We also have superhero related items like figurines, posters and signs. We buy and sell almost anything at North End Thrift and we have a whole room that is devoted to comic books and other cool items.

This week's question comes from Cole in Manahawkin. Cole asks, "Am I able to purchase any 'back to school' items, like backpacks, totes or storage for my school supplies at your store?" Send me your questions. Do you have something you always wanted to find out about? Interested in finding out more about what I do? Have a thought or concern about the industry? What kind of items or appliances should I buy used? Question about Ebay or online sales, Craigslist? Best way to buy or sell an item? Send in your questions or pictures and I will do my best to answer them. Send them to tvjerseycape@comcast.net or northendthrift@gmail.com, or you can also ask them by calling 609-741-4132.

Get That Oil Changed!

Make sure you stay on top of your oil changes. Our current recommendation is to change your oil every 5,000 miles. A word about hauling big loads in the summer. Most car manufacturers will recommend 5W30 oil year-round. However, your owner's manual may have a recommendation for what's called "severe duty," such as pulling a trailer. In this case, you might want to switch over to a higher viscosity oil. Why? Well, under hot operating conditions, a thicker oil will thin out less quickly, making sure your engine stays well lubricated when it needs it most.

Synthetic oils have a number of advantages over old-fashioned oil — most notably, they are less likely to break-down when operating at high temperatures. So, which should you use? Our advice is this: under most circumstances, we'd opt to use synthetic oil — in particular, if you have a high-end car, a high performance car, or if you happen to know that your model is prone to having the engine clog with varnish and other gunk.

Synthetic oil remains a bit more expensive than regular oil. But, over the life of the car, the differential is probably not more than a few hundred bucks — and we think that's worth it.
