# HOROSCOPE

SEPTEMBER 3, 2016 - SEPTEMBER 9, 2016

### ARIES • (Mar. 21 - April 20)

Try to visit friends or relatives you don't get to see often. Travel for business purposes may bring the highest returns. Don't trust others with private information that could be used against you. You will find it easy to learn and excel.

### TAURUS • (Apr. 21 - May 21)

You may have a rather hectic day due to events that children are involved in. You are best to listen for the time being. You will do well with clients this week. Be sure that you lay your cards on the table.

### GEMINI • (May 22 - June 21)

You can pick up valuable information if you listen to those with more experience. Losses are evident. Opportunities to show your worth will enhance your reputation and bring possible advancement. Avoid friction with your mate.

### CANCER • (June 22 - July 22)

You can make financial gains if you are prepared to take a risk. Your tendency to take on too much will end in fatigue. Don't turn down offers that include sports activities or children. You are best to work behind the scenes on projects that require detail or precision.

### LEO • (July 23 - Aug 22)

Romantic encounters will be full of excitement. This is not the best day to visit relatives who get on your nerves. Things aren't as they appear. You can meet new and exciting friends who will provide mental stimulation.

### VIRGO • (Aug. 23 - Sept. 23)

This is not the time to lend or borrow money or possessions. Abrupt changes concerning your professional position are evident. Try to avoid serious discussions with loved ones. You will be in the mood to socialize.

### LIBRA • (Sept. 24 - Oct. 23)

Opportunities will come through behind the scenes activities. Friends may not understand your situation. You are best to concentrate on work. Don't make large purchases unless you have discussed your choices with your mate.

### SCORPIO • (Oct. 24 - Nov. 22)

Sign up for seminars that will expand your business awareness. Don't let friends or relatives rule your life. Your temper may get the better of you if a colleague has tried to ruin your reputation. You can make financial gains through your unique and creative approach to business.

### SAGITTARIUS • (Nov. 23 - Dec. 21)

Loss is evident if you don't consider all the angles. Draw up contracts regarding your personal situation. Don't forget family obligations. Travel in pursuit of pleasure and knowledge.

### CAPRICORN • (Dec 22 - Jan. 20)

Escapist tendencies will result in a poor reputation and a lack of confidence. Draw up contracts regarding your personal situation. Your boss may be on the rampage and you certainly don't want to be the one to take the brunt of a bad situation. You could pick up valuable knowledge through conversations with experienced individuals.

### AQUARIUS • (Jan. 21 - Feb. 19)

Your mate may not have been honest with you. Alienation may be the result of a misunderstanding. Expect temper tantrums on the home front if you haven't been letting someone have their way. Investments may not be as lucrative as you thought.

### PISCES • (Feb. 20 - Mar. 20)

Focus on using your creative abilities in other ways. You will be quite excitable this week. Don't let your mate talk you into going somewhere you'd rather not go. Put your efforts into job advancement.

## PORTRAIT OF THE JERSEY CAPE

Chill Out at this 51-year-old classic ICE CREAM STAND

### Milky Way Ice Cream & Mini Golf

*Villas*

**WHAT** *It is truly a local favorite. Located in a quaint bayside town, it is well known and easy to find. They have softserve and hand dipped ice creams. Milkshakes, blizzards, frozen bananas, water ice, and sundaes. The prices are great and their portions are generous.*

**WHY** *Milky Way Ice Cream and Mini Golf has a true nostalgic feel of the neighborhood ice cream hang out. It's a perfect stop for the family on a hot summer evening for handmade ice cream treats followed by a game of putt-putt.*

Open year round 7 days a week 7am - 2pm

## End of Summer Marks Perfect Time for Car Care part 1

### Preventative maintenance now can help ensure worry-free driving this winter

The vacations are over, the kids are back in school and cooler evenings have begun. Take advantage of the lull to prepare your vehicle for the winter ahead, advise the pros and the non-profit National Institute for Automotive Service Excellence (ASE). Breakdowns, never convenient, can be dangerous in cold weather period. The following tips from ASE should give parent and student alike a road map to fall car care. First things first. Read your owner's manual and follow the manufacturer's recommended service schedules. There are usually two schedules listed: normal and severe.

#### Engine Performance

Have engine drivability problems (hard starts, rough idling, stalling, diminished power, etc.) corrected at a good repair shop. Cold weather will make existing problems worse. Replace dirty filters, air, fuel, PCV, etc.

#### Fuel

Put a bottle of fuel de-icer in your tank once a month to help keep moisture from freezing in the fuel line. Note, too, that a gas tank that's kept filled helps prevent moisture from forming in the first place.

#### Oil

Change your oil and oil filter as specified in your manual more often (every 3,000 miles or so) if your driving is mostly stop-and-go or consists of frequent short trips.

#### Cooling System

The cooling system should be flushed and refilled as recommended. The level, condition, and concentration of the coolant should be checked periodically. (A 50/50 mix of anti-freeze and water is usually recommended.) If you're doing your own work, allow the radiator to cool down completely before removing the cap. (Newer vehicles have coolant reservoirs.) The tightness and condition of drive belts, clamps, and hoses should be checked by a certified auto technician.

## Win a \$10 Gift Certificate

to North End Thrift Shop 901 Bayshore Road in the Villas

**Just Answer This Week's Question:**

**IN WHAT YEAR DID LABOR DAY BECOME A FEDERAL HOLIDAY?**

**Please Email Response to [tvjerseycape@comcast.net](mailto:tvjerseycape@comcast.net)**

**LAST WEEK'S WINNER WAS Beth Fox  
WITH THE ANSWER "Jupiter".**

### ASK THE NJ THRIFT MAN

Cape May County is a great place to shop for bargains including antiques and many other treasures. No matter if you're an avid collector, a dealer or just out shopping for the day, you have a wide variety of shops to explore. Because thrift shop inventories change on a daily basis, your shopping can become an enjoyable treasure hunt. (Several new shops have opened recently, so check out the map on the next page for those near you.)

Hello! I am the New Jersey Thrift Man. My objective is to enable you to reuse, re-purpose and re-love those hidden treasures that your friends, relatives and neighbors no longer have use for or I find when we do house clean-outs. I will be answering your questions each week as well as writing about what I do and my experiences dealing with collectibles, antiques, toys, furniture, jewelry, coins and more.

**Last week's question came from Mardi in Galloway. Mardi asks, "Do you take items in bulk and do you give receipts for IRS tax write offs?"** Yes, North End Thrift takes items in bulk. We have done large clean outs of homes and businesses. However, we are not charity and we do not give out receipts for IRS purposes. We are a business, but we do donate to local charities often and support other thrift shops. Check out our website at [Northendthrift.com](http://Northendthrift.com) for more information or stop by North End Thrift 901 Bayshore Road, Villas.

**This week's question comes from Taylor in Linwood. Taylor asks, "Are toys in their original packaging always worth more than toys that have been used?"** Send in your questions, including pictures if you wish, and I will do my best to answer them. Email your questions to [tvjerseycape@comcast.net](mailto:tvjerseycape@comcast.net).
