HOROSCOPE

JANUARY 16 - JANUARY 22, 2025

ARIES (Mar. 21 - April 20)

You're entering a period of discovery, where unexpected encounters could point you toward a new passion or project. Keep your eyes open for small details; they may lead to significant breakthroughs.

TAURUS (Apr. 21 - May 21)

Change is in the air, Taurus, and while you often prefer stability, embracing the unknown could lead to rewarding opportunities. Financial decisions will take center stage this week, and a careful, methodical approach will serve you well.

GEMINI (May 22 - June 21)

Your natural gift for communication shines this week, making it an ideal time for networking, negotiations, or sharing your creative ideas. A surprise opportunity could come from someone you least expect, so be attentive in your interactions. On the personal front, reconnecting with an old friend may bring joy and closure.

CANCER (June 22 - July 22)

Emotional clarity will be your guiding light this week, Cancer. Early on, you may find yourself reflecting deeply on your relationships and values. Trust your intuition—it's leading you toward healing and understanding.

LEO (July 23 - Aug 22)

Your leadership abilities take center stage this week, Leo, as others turn to you for guidance and inspiration. Use your charm and confidence to rally people around a shared vision. While work and public life demand much of your attention, don't neglect your inner circle; loved ones will appreciate even small gestures of affection.

VIRGO (Aug. 23 - Sept. 23)

You're in full-on planning mode this week, Virgo, with an eye toward setting the stage for long-term success. Whether it's organizing your finances, work tasks, or personal goals, your meticulous attention to detail will pay off.

LIBRA (Sept. 24 - Oct. 23)

Social energy abounds this week, Libra, making it an excellent time to strengthen existing relationships and forge new ones. You may feel particularly drawn to activities that bring people together, such as group projects or social gatherings.

SCORPIO (Oct. 24 - Nov. 22)

You're on a quest for deeper meaning this week, Scorpio, whether through introspection, study, or tackling a challenging project. Channel your intense focus wisely to avoid overthinking or obsessing over minor details.

SAGITTARIUS (Nov. 23 - Dec. 21)

Your adventurous spirit is calling, Sagittarius, and this week presents opportunities for exploration and growth. Whether it's planning a trip, diving into a new hobby, or taking a bold step in your career, you'll thrive when you step outside your comfort zone.

CAPRICORN (Dec 22 - Jan. 20)

This is a pivotal week for your career and long-term goals, Capricorn. Hard work and persistence will begin to show results, but don't hesitate to ask for help if you feel stuck. Financial matters require extra attention, so double-check the details of any agreements or plans.

AQUARIUS (Jan. 21 - Feb. 19)

Your visionary ideas take center stage this week as you find innovative ways to solve problems or inspire others. Collaboration is key, so don't shy away from sharing your thoughts with trusted allies.

PISCES (Feb. 20 - Mar. 20)

Dreams and intuition guide you this week, Pisces, as you find creative solutions to lingering challenges. Early in the week, a moment of self-reflection may reveal hidden strengths you've overlooked. Trust these insights—they're paving the way for growth.

The Annual Polar Bear Plunge for Special Olympics returns to the Wildwoods on Saturday, January 18 at 1 p.m., on the beach behind the convention center.

CHEF CHIP'S WILD GAME AND SEAFOOD RECIPE

HERB ROASTED GUINEA HEN

INGREDIENTS:

- 1 Whole Dressed Guinea Hen (Cleaned & Prepared)
- 1 Onion, halved
- 6 TBS. Whipped, Unsalted Butter
- 2 TBS. Fresh Chopped Rosemary
- 2 TBS. Fresh Chopped Parsley
- 2 TBS. Fresh Chopped Oregano
- 1 TBS. Fresh Chopped Thyme
- 2 TBS. Fresh, Thin Sliced Chives
- 1 Clove Fresh, Minced Garlic
- 2 Cloves Whole Garlic
- 1 Lemon
- Sea Salt & Fresh Cracked Black Pepper To Taste

PREPARATION:

Preheat oven to 450°. In a bowl, mix butter, herbs, minced garlic, salt & pepper together. Season the inside of the birds cavity. Next, cut the lemon in half. Place lemon halves & whole garlic cloves inside the birds cavity. Using your hand with a glove, rub the herb butter underneath the birds skin. The majority of the butter will be used under the breast skin. Use a small amount of butter to lightly coat the outside of the bird. Place the bird breast side up in a roasting pan, on top of the split onion. Bake at 450° for 10 minutes. Reduce temperature to 425 for 10 more minutes. Reduce heat to 325° & continue cooking to an internal temperature of 160°. Turn the oven off & crack the door open slightly. After 10 minutes, remove the bird from the oven & place on a cutting board. Cover the bird loosely, with foil for 10 more minutes. Finally, carve the bird & serve. Enjoy!

Hint: You can cross the birds legs & tie them together for a nicer presentation. Guinea Hen is one of the most enjoyable birds to eat & is at the top of the list for me. Please try it if you get the chance.

NFL Super Bowl 2025: All the Facts You Need to Know

The NFL regular season has concluded and the teams that qualified for the playoffs are set to begin competing for a chance to make it to the Super Bowl, arguably the biggest single event in U.S. sports with a huge global audience. Here's everything you need to know about Super Bowl LIX, including who is performing at halftime.

WHERE WILL THE 59th SUPER BOWL BE HELD? The NFL championship game will take place in New Orleans at the Caesars Superdome, home to the New Orleans Saints with a capacity of 83,000 spectators.

This marks the 11th time New Orleans has hosted the event. While heightened security is always a part of Super Bowl festivities and the game itself, those measures will take on added significance after the New Year's Day truck attack on Bourbon Street that killed 14 people and injured dozens.

WHEN WILL THE SUPER BOWL BE PLAYED? The 59th Super Bowl is scheduled to take place on Feb 9 at 6:30 p.m. This highly anticipated event on the American sports calendar draws not just football fans but those interested in the halftime show and specially created advertisements. The 2024 Super Bowl drew an estimated 210 million viewers.

HOW ARE THE SUPER BOWL COMBATANTS DECIDED? Fourteen teams will compete in the NFL playoffs, seven from each conference. The four NFC and four AFC division champions and six wild-card teams - the three non-division winners with the best records in each conference - will compete in a single elimination tournament.

The final four will play in the AFC and NFC championship games on Jan. 26, with the winners advancing to the Super Bowl.

HAS A WILD-CARD TEAM EVER WON THE SUPER BOWL? Yes. Seven teams who qualified for the playoffs as wild-card teams have won the big prize -- first the Oakland Raiders in 1980 and most recently Tampa Bay Buccaneers in 2020.

WHICH TEAMS ARE FAVORED TO REACH THE SUPER BOWL? Teams begin the playoffs with a clean slate and anything can happen in the win or go home format. But the two teams that had established themselves as early favorites went on to earn the top seed in each conference and a first-round bye -- the Chiefs, looking to become the first team to win three consecutive Super Bowls, and the Detroit Lions, one of four NFL clubs that have never played in the big game. Other top contenders include the Philadelphia Eagles, Buffalo Bills and Baltimore Ravens.

WHO IS PERFORMING AT THE 2025 SUPER BOWL HALFTIME SHOW? The Super Bowl halftime show, a 12- to 15-minute musical extravaganza and one of the most coveted slots on the U.S. music calendar, will feature Grammy-winning hip hop artist Kendrick Lamar this time. The 37-year-old Lamar from Compton, the heart of the Los Angeles rap scene, has 17 Grammy wins and performed during the Super Bowl halftime show in 2022 along with Dr. Dre, Snoop Dogg, Eminem and Mary J. Blige.

HOW MUCH DO SUPER BOWL TICKETS COST? Super Bowl tickets are among the most coveted in all of sports, notoriously hard to find, and their prices are impacted by the game's location and which teams are playing. According to ticket marketplace TickPick, the cheapest get-in price for Super Bowl LIX will be around \$6,600, while the average ticket price is \$9,500. The two Super Bowl teams split 35% of the tickets, the host team receives 5% and the remaining 29 NFL teams each get around 1% and hold lotteries among their season-ticket holders. The NFL retains 25% of the tickets for media members, business and community partners. The league also gives away 500 tickets.

WHAT IS THE NAME OF THE SUPER BOWL TROPHY? The Vince Lombardi Trophy awarded to the Super Bowl winner each year is named in honor of legendary NFL Hall of Fame coach Lombardi, who led the Green Bay Packers to victories in the first two Super Bowl games.

How To Prepare For Road Trips In Rain, Sleet Or Shine

1. Snow scraper: Drivers who live in an area with ample snowfall or ice storms already know the value using a snow scraper. You can use a simple blade or go upscale with one that has a brush, a wide scraper blade and padded handle for grip and extension capability to get those hard-to-reach places.
2. Windshield snow cover: Take half the work out of removing ice and snow from your car with a windshield snow cover.
3. Snow shovel: Snow can accumulate fast and if you've left your car outside for a while, you may find yourself stuck. A small shovel will provide you with the means to shovel the snow out from around your tires so that you can quickly become unstuck.
4. De-icer spray: Melt ice, snow, and frost on contact. De-icers are easy to use and effective in sub-zero temperatures.
5. Jumper cables: Harsh January temperatures can significantly reduce battery performance, increasing the likelihood of your vehicle not starting when away from home.
6. Flashlights and headband lights: Prepare for nighttime emergencies. On the off chance you get a flat tire or engine problems while driving at night, flashlights can help you navigate your car and fix the problem. Headband lights are particularly convenient anytime you need to keep both hands free—when changing out a tire, looking through the trunk and installing tire chains.
7. Roadside flares: Warn other drivers about your location, especially during dark or stormy nights. They may provide the only light for miles on country and remote roads.
8. Emergency warmth supplies: It's always a good idea to carry a warm blanket in your car in case you are stranded during a winter storm. It's also a good idea to stow a few other warm weather items such as a jacket, hats, gloves, and even hand warmers. These warm-weather items also come in handy if your car's heater unexpectedly stops working while on the road.
9. Snow Chains: One of the most crucial accessories for winter driving is proper traction. Snow chains significantly improve grip on slippery roads, reducing the risk of skidding and accidents. Ensure they're the right fit for your vehicle and learn how to install them before hitting the road.
10. Sand or kitty litter: Sand or kitty litter can help as emergency traction tools. If your vehicle gets stuck on ice, snow, or slippery surfaces, spreading sand or kitty litter around your tires creates instant grip.
11. Microfiber towel: Keep a microfiber towel on hand for both your interior and exterior clean car needs. They work well to clear away the interior of your car's windows when condensation forms due to extreme cold weather. They are inexpensive, versatile and are great for everything from cleaning your windshield to mopping up after spills.

WINTER CAME WITH A VENGEANCE

Submitted By
Patsy Nelson
from **The Wagging Tail**

As I put on each of my dog's coats over the Gold Paw fleece top (they wear indoors) and open the door to the cold winds blowing outside with a wind chill of 19 degrees, I tell them how lucky they are to have a mommy that protects their joints and organs. I guess you might call them wusses, but even with sweater and coat, they want to quickly return to the warmth inside.

I know I am always harping about putting jackets on your dogs in various weights depending on the thickness of the dog's fur. It's important to protect your dog from the cold wind and precipitation that accompanies winter. Recently on one of our colder days, I had two customers who came in with their dogs, their owners were bundled up while their dogs were not covered at all. (Not even a harness on, which is an EASY safe way to protect your dog in the car, securing the leash to the headrest and the latching onto the harness. NEVER TO THE COLLAR. I leave a leash around the headrest permanently, so it is always ready.) One of the dogs had no hair like a boxer or beagle. When a dog lives in a heated house, they do not develop a natural winter coat like a horse that lives outside with only a lean-to for protection. Imagine if you had to get out of a warm bed in cotton pjs and went outside for even 5 minutes in very cold temperatures. Pretty shocking to the system.

That is how your pet's body reacts. The dog begins to rapidly lose heat. The core body temperature drops and the blood vessels near the skin constrict sending reinforcements to the vital organs. The joints are then less protected leading to potential joint problems. The body burns more energy to produce internal heat. Young, old, or medically compromised pets are more prone to cold stress. My elderly cat likes to go out to the backyard-we have a big yard and high privacy fence. He also has hypothyroidism, so he wears a thick gold paw fleece top, and sometimes one of Zoey's weatherproof jackets. Trim the hair between your pet's toes and wash off salt that may be between the toes from the road or pavements.

Don't leave your dog in the car if you go into a store, even if blanketed, as those trips may last longer than you expected. A car has little, or no insulation and it takes on the temperatures of the outside weather, quickly becoming like a refrigerator. The picture illustrates two dangerous oversights: no coat and no harness. We have a very large selection of jackets, sweatshirts, and sweaters, good quality and good prices. Our renowned Weatherbeeta are priced right, and we got in a new shipment with requested sizes and colors.

I am still helping at the store, but I will be away for two weeks. Ryan, director of the new owners, Beacon Animal Rescue, is so wonderful you probably won't even miss me!

Thank You for Supporting Our Small Business.
