HOROSCOPE

NOVEMBER 28 - DECEMBER 4, 2024

ARIES (Mar. 21- April 20)

This week, Aries, expect a burst of energy that will help you tackle any lingering projects. Your bold approach will inspire others, so take charge in group settings. However, be mindful of impulsive decisions, as they could lead to unnecessary complications.

TAURUS (Apr. 21- May 21)

Taurus, the week brings a chance for emotional healing and letting go of past burdens. A close relationship may need some attention, so offer support without expecting anything in return. Financial matters might demand extra attention, so be diligent with your resources.

GEMINI (May 22-June 21)

Gemini, the last week of November encourages you to focus on communication and networking, which could bring unexpected opportunities. Be open to new ideas from others, but also trust your own instincts. Take time to relax and recharge towards the weekend, as you may feel mentally drained.

CANCER (June 22-July 22)

This week, Cancer, work may feel particularly rewarding, but you might also struggle with balancing professional and personal life. Pay attention to your intuition—it's guiding you toward a deeper understanding of a relationship. Don't be afraid to ask for help when needed.

LEO (July 23-Aug 22)

Leo, expect a week filled with growth and expansion, particularly in your intellectual pursuits. Take the time to learn something new or take a trip that broadens your horizons. Pay attention to your health—physical activity and relaxation will help you feel grounded.

VIRGO (Aug. 23-Sept. 23)

This week, Virgo, you may find yourself reflecting on deeper emotional matters, including your personal values. The spotlight might shift to your shared resources, and it's a good time to review your financial situation. Keep an eye on any potential conflicts, as they may come up unexpectedly.

LIBRA (Sept. 24-Oct. 23)

Libra, relationships take center stage for you this week—particularly in your romantic or business partnerships. A conversation could bring clarity to a situation that's been confusing you. Focus on maintaining balance in these areas to avoid misunderstandings.

SCORPIO (Oct. 24 - Nov. 22)

Scorpio, the week invites you to pay more attention to your daily routine and self-care. You may feel a need to reorganize or streamline certain aspects of your life, which will help you feel more productive. Avoid overthinking; sometimes, the simplest approach is the best.

SAGITTARIUS (Nov. 23-Dec. 21)

Sagittarius, the last week of November brings an increased focus on creativity and self-expression. A project you've been working on could finally come to fruition, bringing you joy and satisfaction. Romance may also flourish, so be open to love or new social opportunities.

CAPRICORN (Dec 22.- Jan. 20)

Capricorn, your attention shifts toward home and family this week, with potential changes or decisions regarding your living situation. Emotional connections with loved ones will be highlighted, and it's a good time to nurture those bonds. Make sure to carve out some time for yourself amidst the busyness.

AQUARIUS (Jan. 21 -Feb. 19)

This week, Aquarius, communication is key—whether in your personal or professional life, clarity will be essential. You may find yourself juggling multiple tasks, so staying organized is crucial. The weekend brings an opportunity to recharge, so take some time for relaxation.

PISCES (Feb. 20-Mar. 20)

Pisces, financial matters take priority this week, and it's a good time to reflect on your long-term goals. You may also find yourself feeling more confident about your abilities, which could lead to new opportunities. Be cautious with investments or expenditures—don't rush into anything.

CHEF CHIP'S WILD GAME AND SEAFOOD RECIPE

HERB ROASTED SPATCHCOCK TURKEY

INGREDIENTS:

- 1 WHOLE FRESH TURKEY (12-13 LBS.), CLEANED W/ SPINE & WISHBONE REMOVED
- 3/4 CUP UNSALTED BUTTER, SOFTENED
- 2 TBS. FRESH, CHOPPED ROSEMARY
- 2 TBS. FRESH, FINELY CHOPPED THYME
- 2 TBS. FRESH, FINELY CHOPPED PARSLEY
- 1 TBS. FRESH, FINELY CHOPPED SAGE
- 1 TBS. FRESH CHOPPED OREGANO
- 1/2 TSP. LIQUID SMOKE
- SEASONED SALT TO TASTE

PREPARATION:

Preheat oven to 425°. Place Turkey on a prepared surface, butterflied & breast side down. Season the inside of cavity & bottom of bird with seasoned salt. Flip the turkey over, breast side up. Next, place softened butter in a small bowl. Using a spoon, mix in herbs, liquid smoke & seasoned salt to taste. Smear the butter/herb mixture under the skin of the bird, coating thoroughly. You can use a little of the butter on the outside as well & touch it up with more seasoned salt. Place in preheated oven & allow to cook for 15 minutes. Lower oven temperature to 400° for 10 more minutes. After 10 minutes, lower the temperature to 350°. Cook to an internal of 145°. Lower oven to 325° & finish cooking until the bird is at an internal 160°. Turn oven off & allow bird to sit in the oven for 5 more minutes. Remove from oven & cover bird loosely w/ foil. Allow to rest for 15-20 minutes, before carving. Enjoy & Happy Thanksgiving!

Hint: 1) Your Turkey will continue to cook some after removing from the oven. This will put it to a safe 165°. 2) Always brine your Turkey first.

Your 10-Step Guide to Modern Car Care

With average prices topping \$48,000, taking good care of your current ride makes sense. Here are 10 places on your car where a little DIY time will not only save you money but make your car both better and safer.

1. Revive your owner's manual: Once a year, pull out that manual and get refreshed answers to every relevant question you can come up with. What service should I be getting? How do I operate the car if my key fob dies? What does that dashboard light mean?
2. Clean your engine: Do this to easily spot the source of any leaks, should they arise. Clean the engine at least a couple of times a year by spraying with a commercial engine degreaser and then rinsing with a garden hose.
3. Buy new wiper blades: Make sure you buy the right length of blade, since the passenger's and driver's sides often use blades of different lengths. Typically, no tools are necessary but watch carefully how the old one pops out. It will make installing the new one easier.
4. "Check Engine" light on? You've got this: Get an onboard diagnostics (OBD 2) scanner at an auto parts store (they start around \$20). Plug it into the OBD port under the dash, usually on the driver's side. Look up the displayed code on the internet to learn whether you have a problem that requires a mechanic's attention — or just a loose gas cap.
5. Save your seats: Small upholstery tears will eventually become big upholstery tears. If the interior is cloth, a needle and thread may do the trick. For leather or vinyl, you'll need to buy a car-seat patch kit; these run \$10 and up.
6. Fix the fog: There are plenty of kits to buff away headlight cloudiness on the market. You can also find DIY solutions online, including using toothpaste or baking soda as a cleaner.
7. Scrub your battery: Battery corrosion is like a cancer under your car's hood. Once a year, you should check the terminals. If there's white or blue-green buildup, remove the connecting cables, mix some baking soda and water, pour it on the terminal and start scrubbing. Be sure to wear gloves and eye protection.
8. Refresh your air filter: Your engine air filter used to sit on the top of your engine. Now it's tucked away in some corner of the engine compartment with a plastic cover and fasteners. It's worth consulting your owner's manual to find it. Changing it yourself every 15,000 to 30,000 miles is one of the easiest ways to save yourself some money.
9. Air up: Few car maintenance tasks are as important as maintaining proper tire pressure. It helps tires last longer, improves fuel mileage and makes your car safer to drive. The suggested pressure is noted on the tires or on the driver's-side doorframe. At-home tire inflator air compressors start at around \$30.
10. Touch up the exterior: Have a few chips or scrapes in your paint? Determine your car's precise color; ask a dealer if necessary. Then buy touch-up paint from the dealer or an online retailer. Plenty of YouTube videos can show you how to apply it.

ROYAL CANIN INFERIOR DOG FOOD 30 POUND BAG ON CHEWY \$109.⁹⁹
FROMM FAMILY SUPERIOR DOG FOOD 30 POUND BAG UNDER \$55

Patsy Nelson
 from The Wagging Tail

Everyone can save money in these inflationary times while feeding quality food to our cats and dogs. The most important thing you can do as your pet's protector is CHECK OUT THE INGREDIENT PANEL ON THE BACK OF THE BAG. Don't believe the advertising or hype of commercial foods like Purina, Royal Canin, or others who write poetically about their food and advertise using your money, while giving you a crappy product. Too many of our customers, when asked what they are feeding their new puppy or adopted dog, are shocked when I pull up the list of ingredients on the internet. They are guilty of blindly believing the false advertisements and the vets who push these brands. Compare the information that follows. My motto is NO SOY NO WHEAT NO CORN NO BY-PRODUCT, among others. I chose the Royal Canin Golden Retriever formula to illustrate why I would not recommend it and the price for what is in the bag is reprehensible. (The first ingredient listed usually represents what is considered quantitatively the major amount in the bag. The exception is when a protein like chicken is listed but not followed by chicken meal because they are falsely counting ALL the parts of the chicken that are not actually being used.) Brown rice, chicken by-product meal, oat groats, brewers rice, wheat, corn gluten meal, chicken fat, natural flavors (why don't they list them?) followed by assorted other items. They also add sodiumsilicoaluminate an anti-caking agent, an inorganic mineral made up of aluminum, silicone, and oxygen, which the FDA considers generally safe for direct contact with food, yet it can be a local irritant to the skin, eyes, and mucous membranes. Another one is fructodigosaccharides, a sweetener alternative, which can potentially cause digestive upset and abdominal stress. I chose Fromm Family's Gold Adult which would be suitable for a sixty-pound golden. The large breed bag would be similarly priced. I have visited their plant in Wisconsin, and it is impeccably sanitary, and they recently built their own canning plant.

Chicken, chicken meal, chicken broth, oatmeal, pearled barley, brown rice, chicken fat, menhaden fish meal, dried tomato pomace, yeast, cheese, flaxseed, duck, lamb, sweet potatoes, celery, alfalfa meal, vitamins and minerals, and no questionable agents or preservative. Which is not just better food but half the price? All our foods are 100% guaranteed-that your pet will love it and do well on it or we take it back. Plus, there are rewards towards a free bag. We also have samples of all Fromm Foods as well as others.

Thank you again for choosing The Wagging Tail as Best of The Jersey Shore, three years in a row. And thank you for supporting a local small business. Come see our kittens and cats! Cats Curly and Mo have new homes! HAPPY THANKSGIVING.
