OCTOBER 24 - OCTOBER 30, 2024

ARIES (Mar. 21-April 20)

This week, you'll feel an urge to take charge in your personal and professional life. Channel your energy into a new project or initiative. However, be cautious with impulsive decisions—think things through before diving in. Relationships may require extra attention; a heartfelt conversation could strengthen bonds.

TAURUS (Apr. 21-May 21)

Financial matters come to the forefront this week. It's a great time to review your budget or consider new investments. On the personal front, be open to change; something unexpected may lead to growth. Surround yourself with supportive friends who can help you navigate any challenges.

GEMINI (May 22-June 21)

Communication is key this week, Gemini. You'll find that expressing your ideas clearly can lead to exciting opportunities. Collaborations may flourish, so don't hesitate to share your thoughts. On the home front, a small project can bring the family together, creating a warm atmosphere.

CANCER (June 22-July 22)

This week, focus on self-care and reflection. You may feel the need to retreat and recharge. Consider journaling or meditative practices to help clarify your thoughts. In relationships, be open about your feelings; vulnerability can strengthen your connections.

LEO (July 23-Aug 22)

Your social life takes center stage this week, Leo. Networking events or gatherings can lead to exciting new friendships or collaborations. Stay open to different perspectives—this could lead to valuable insights. Remember to balance your personal and professional commitments to avoid burnout.

VIRGO (Aug. 23-Sept. 23)

This week emphasizes productivity, Virgo. Tackle those tasks you've been putting off, as your efficiency is at a high. However, avoid being overly critical of yourself or others. In personal relationships, focus on finding common ground and maintaining harmony.

LIBRA (Sept. 24-Oct. 23)

Creativity is highlighted this week, Libra. Engage in artistic pursuits or explore new hobbies. Social interactions can be particularly rewarding, so don't hesitate to reach out to friends. In love, open communication will deepen your connection and enhance mutual understanding.

SCORPIO (Oct. 24-Nov. 22)

Emotional intensity marks your week, Scorpio. Use this energy to address any unresolved issues, whether in personal or professional relationships. Trust your instincts; they will guide you. Focus on creating a supportive environment at home, fostering deeper connections with loved ones.

SAGITTARIUS (Nov. 23-Dec. 21)

Adventure calls this week, Sagittarius! Whether it's a spontaneous trip or exploring new ideas, embrace opportunities that expand your horizons. Your optimistic outlook will attract like-minded individuals. However, remember to ground yourself in reality to avoid overextending.

CAPRICORN (Dec 22.-Jan. 20)

Your ambition shines brightly this week, Capricorn. Focus on long-term goals, and don't shy away from seeking help or mentorship. In your personal life, prioritize family matters and ensure you're making time for those who matter most. Balance is essential to avoid feeling overwhelmed.

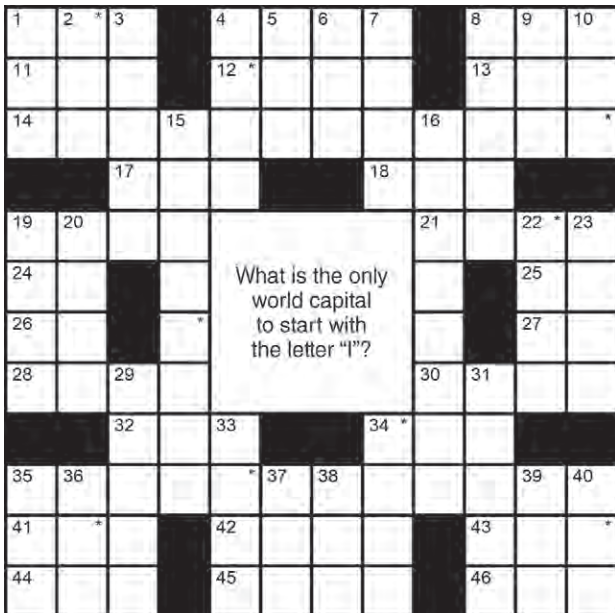

AQUARIUS (Jan. 21-Feb. 19)

Innovation and originality are your themes this week, Aquarius. Embrace your unique ideas and consider sharing them in group settings. Collaboration can lead to breakthroughs, but be mindful of differing opinions. A focus on wellness will help you maintain your energy and clarity.

PISCES (Feb. 20-Mar. 20)

Love is in the Air at the Wildwoods Convention Center During the Wildwood Wedding Expo on Sunday, November 3

Wedding planning just got much easier! The Wildwood Wedding Expo, produced by Plan It Expo, will be held Sunday, November 3, from 12 – 5pm in the Oceanfront Arena at the Wildwoods Convention Center.

For more than 30 years, Plan It Expo has been helping couples across New Jersey and nationally create unforgettable weddings, and this year's Wildwood Wedding Expo promises to be their best event yet! Whether brides and grooms are just starting the wedding planning journey or finalizing the details, this event is a one-stop shop to help make the big day magical.

Prepare to be swept away as the Plan It Expo promises a remarkable array of choices and experiences. Bid farewell to the overwhelming wedding planning process and say hello to a day of pure wedding enchantment at the Wildwood Wedding Expo. Here's what to expect:

- Meet the area's top wedding professionals offering everything from floral designs and photography to honeymoon planning and bridal fashion.
- Sample delicious cakes and catered delights, while exploring exquisite décor ideas and gathering expert tips from industry leaders.
- Experience live music, interactive photo booths, and the latest wedding trends in fashion, décor, and party planning.
- Win Big: Several lucky brides will be selected to participate in the famous "Cake Dive" – an exciting tradition where brides "dive" into a massive wedding cake created by Piece of Cake, a renowned local bakery, to uncover incredible prizes. Prizes include a luxurious honeymoon and a stunning diamond ring, courtesy of Bergio Jewelers of Marmora.

With over 60 top wedding vendors ready to help brides plan their dream wedding, the Wildwood Wedding Expo is the perfect opportunity to gather inspiration, meet talented professionals, and finalize those all-important details. Brides will also have a chance to enter to win more than \$10,000 in valuable door prizes, including honeymoon trips, exclusive gift cards valued at over \$800 for jewelry and artwork, and much, much more!

Plan It Expo is proud to present this exciting, all-inclusive wedding show, featuring well-known businesses from South Jersey, Philadelphia, and surrounding areas. They make wedding planning easy and fun for couples, families, and bridal parties!

Tickets are available for purchase at www.planitexpo.com/upcoming-shows/. Lodging information can be found at <https://lodging.wildwoodsnj.com/wildwood-wedding-expo>.

A wedding is more than a single day's affair. It's a compilation of beautiful moments that bring lifetime memories to those you love. At the Wildwoods Convention Center, we can plan and coordinate every celebration of your matrimonial journey – from the bridal shower and rehearsal dinner to the ceremony and reception. Our private events team will be there every step of the way to make your wedding dreams come true.

Halloween Safety Tips

Each year, Halloween is celebrated with trick-or-treating, parties, candy, and sometimes, drinking. To stay safe, follow these 13 ghoulishly good tips for drivers, pedestrians, partygoers and party hosts.

Trick-or-Treating

Drivers should be aware that around Halloween, there will likely be more pedestrians on the roads and in unexpected places.

Safety Tips for Drivers

- #1: Be alert for trick-or-treaters and other pedestrians.
- #2: Slow down and scan the road. Remember: Slower speeds save lives.
- #3: Watch for young trick-or-treaters in unexpected places. Children may be unaware of traffic and dart into the street unexpectedly.
- #4: If you see a drunk driver, contact law enforcement.

Safety Tips for Pedestrians

- #5: Before festivities begin, create a "buddy system" to get each other home safely and prevent walking alone.
- #6: Follow the rules of the road and obey signs and signals.
- #7: If possible, cross streets at crosswalks or intersections. Look for cars in all directions, including those turning left or right.

Halloween Parties

Unfortunately, Halloween also involves potentially deadly crashes, and impaired drivers on the road. In 2022, nearly half of all crash fatalities during Halloween night were alcohol-related.

Safety Tips for Attendees

- #8: Before drinking, choose a designated driver, or schedule a ridesharing, ride-hailing or taxi service.
- #9: If you drink, do not drive for any reason. Even a small amount of alcohol can affect driving ability.

Safety Tips for Hosts

- #10: Be responsible and take action to make sure guests get home safely.
- #11: Prepare to call taxis rideshares, provide sleeping accommodations, or — if you're sober — drive guests home yourself.
- #12: Collect car keys from guests who are drinking.
- #13: Provide non-alcoholic beverage options.

EBBY'S PATELLAR LUXATION REPAIR

Submitted By
Patsy Nelson
from The Wagging Tail

A week ago, today (Wed. Oct. 23) Ebby had an operation on her rear left leg. Her knee began popping out after she and Zoey went charging through the doggie door, down the eleven wooden steps off our enclosed upstairs porch, across the pebbles, up and over the outside deck, across the lawn and in and around the bushes and plants. They were in mad pursuit of the three little dogs behind us, although they cannot interact because of our tall privacy fence. For the first time since rescuing Ebby (the fear-biter mix chihuahua three years ago) she returned limping. I massaged her leg unknowingly relocating the knee. Back in the house she went like nothing happened.

And then it started happening with more frequency with no apparent cause/effect. I called Dr. Mike who looked at her gratis, told me she had a slight heart murmur (surprise) and being that she was just eight years, and while the murmur remained slight, I should see an orthopedic surgeon. Two days later, October 15th, I saw Dr. Hirsch at Parkway, and as he was going to be heading to Florida, he did the operation the next day. I opted not to wait because we have travel plans and no one else but me does Ebby trust enough to massage her leg. I was afraid she might get into a predicament and cause our sitter harm.

Patellar luxation is a common orthopedic condition causing a dislocation of the kneecap. It is most common in small breeds (Ebby is 19 pounds) like Toy Poodles, chihuahuas, Pomeranians, and Terriers, but it can happen to any size dog. In the case of Ebby, the cause may have been due more to trauma to her left leg that day than to some genetic factor. "The patella is a small bone in the knee joint, situated within a tendon. The patellar tendon sits in a groove at the end of the thighbone (femur) and attaches just below the knee onto the shin bone(tibia). Patellar luxation occurs when the kneecap slides or pops out of place from the femoral groove when the knee flexes." (see pictures)

Since we have so many steps in our house, inside and out, I have confined Ebby to the downstairs during the day for the hours that I am at the store, and upstairs while we are preparing and having dinner. It meant in the very beginning carrying her like a folded blanket with my arms under both front and back legs with the repaired leg facing out. At first, she was scared but then she even wagged her tail when I picked her up. Bob would watch from the bottom of each set. Now she is good going up herself. And all the pills and all the different times to give them (with food) is also challenging. To keep her calmer so she won't try to lick even with the collar, I use pieces of Stress Releaf treats intermittently during the day and just before bed. Next, I will begin using Joint aids to delay arthritis.

Thank you again for choosing The Wagging Tail as Best of The Jersey Shore, three years in a row. And thank you for supporting a local small business. Come see our kittens and cats!
