HOROSCOPE

DECEMBER 12 - DECEMBER 18, 2024

ARIES (Mar. 21- April 20)

This week, Aries, you'll be focusing on your career and public image. There could be a significant breakthrough or recognition coming your way, so make sure to stay confident and prepared. However, be cautious of overworking—balance is key to avoiding burnout.

TAURUS (Apr. 21- May 21)

For Taurus, the third week of December emphasizes long-term goals and expanding your horizons. Whether through travel, education, or new experiences, now is a time to seek out growth. You may feel inspired to step outside your comfort zone, so trust your instincts and go for it.

GEMINI (May 22-June 21)

Gemini, this week brings a focus on shared resources and deep emotional connections. You may find yourself navigating important conversations or making decisions that affect your partnerships. Remember to approach these matters with both sensitivity and practicality to find the best balance.

CANCER (June 22-July 22)

For Cancer, the third week of December shines a light on your relationships and partnerships. Whether personal or professional, your connections could deepen, with a particular focus on collaboration and understanding. Make sure to stay true to yourself, even if compromises are needed.

LEO (July 23-Aug 22)

Leo, this week focuses on your work and health, encouraging you to bring structure and discipline into your daily routine. If you've been neglecting your well-being or struggling with work-related stress, this is a good time to take proactive steps to improve both. Set boundaries and prioritize self-care to stay balanced.

VIRGO (Aug. 23-Sept. 23)

This week, Virgo, creativity and self-expression take center stage. Whether through a new project or in your personal life, you'll feel inspired to share your ideas and talents. It's also a good time for romance and enjoying life, so make room for fun and connection.

LIBRA (Sept. 24-Oct. 23)

Libra, the third week of December brings attention to your home and family life. You might find yourself drawn to spend more time with loved ones or focus on creating a harmonious living space. Trust your instincts when it comes to emotional matters, as you'll be able to find solutions with patience and care.

SCORPIO (Oct. 24 - Nov. 22)

For Scorpio, this week highlights communication and daily tasks. Your mind will be active, and you might find yourself juggling multiple projects or conversations. Make sure to stay organized and clear in your interactions, as misunderstandings could arise if you're not careful.

SAGITTARIUS (Nov. 23 - Dec. 21)

Sagittarius, finances and material security are in focus this week. You may feel the need to reassess your budget, spending habits, or long-term financial goals. It's a good time to invest in something that will bring lasting value, but be cautious of impulse purchases.

CAPRICORN (Dec 22.- Jan. 20)

Capricorn, this week brings a spotlight on your personal identity and how you present yourself to the world. You may feel a strong urge to express your individuality or make changes to your appearance. Be true to yourself and embrace any personal transformations with confidence.

AQUARIUS (Jan. 21 -Feb. 19)

Aquarius, the third week of December encourages introspection and spiritual growth. You may feel the need to slow down and reflect on your inner world, letting go of past emotional baggage. Trust that the insights you gain will help you make better decisions moving forward.

PISCES (Feb. 20-Mar. 20)

Pisces, this week focuses on your friendships and social circles. You may find yourself connecting with like-minded people or participating in group activities that align with your values. Be open to new opportunities and collaborations, as they could lead to meaningful growth in your personal life.

DRIVING IN WINTER WEATHER, PT. 1

The Basics

Slow down. It's harder to control or stop your vehicle on a slick or snow-covered surface. In fact, 2022 there were an estimated 153,620 police reported traffic crashes that occurred when there was snow/sleet conditions at the time of the crash. **On the road,** increase your following distance enough so that you'll have plenty of time to stop for vehicles ahead of you.

Don't crowd a snow plow or travel beside the truck. Snow plows travel slowly, make wide turns, stop often, overlap lanes, and exit the road frequently. **If you find yourself behind a snow plow,** stay far enough behind it and use caution if you pass the plow.

What to Do in an Emergency

If you are stopped or stalled in wintry weather, stay focused on yourself and your passengers, your car, and your surroundings.

Stay with your car and don't overexert yourself. Let your car be seen. Put bright markers on the antenna or windows and keep the interior dome light on.

Be mindful of carbon monoxide poisoning. Make sure your exhaust pipe is clear of any snow and run your car only sporadically — just long enough to stay warm. Don't run your car for long periods of time with the windows up or in an enclosed space.

This beautiful pastel was left in our attic on Secluded Lane in Rio Grande 25 years ago. We would like to find the owner. We believe she worked in a bank in Sea Isle City. Anyone with information, please contact The Wagging Tail at 609-886-5999. Thank you!

FEEDING BETTER FOR LESS \$ AND FOR HEALTHIER PETS

Submitted By
Patsy Nelson
from The Wagging Tail

There are many reasons I disparage commercial pet foods. Most of the companies spend millions of dollars advertising their brands instead of ensuring quality ingredients. They also spend a lot of resources making their bags beautifully pictured with adoring looks from both pet and parent (especially the cat food bags) or pictures of pets in prime condition. And the messaging is both compelling and lacking in truth, with delectable slices of thick juicy chicken or fresh fruits and vegetables. As a rule, if pet foods contain CORN, WHEAT, or SOY (the items that create most allergy problems) you should avoid them completely. Here, in fact, is what you get.

Royal Canine Puppy Chow Ingredients: The ingredients are listed in order of their appearance, and it is supposed to correspond with the most to the least amount present in the food. Chicken by-product meal, brewers' rice, chicken fat, wheat gluten, corn, dried plain beet pulp, corn gluten meal, followed by other fillers, and vitamins and minerals. In researching for this article, I read that by-products may not include muscle meat, but, unlike years ago when they were allowed to use just about anything on the slaughterhouse floor, by-products can include spleen, lungs, blood, bone, and stomach (less the contents inside that the animal ate.) The more organ meat you can give your pet, the better. The rest of the ingredients I rank as completely inferior and not worth the price you pay for the food. Most are not readily digestible and simply are eliminated in the poop. 2.5lb bag \$23.99 Chewy.

Purina Cat Chow Ingredients: Chicken by-product meal, ground yellow corn, corn gluten meal, whole grain wheat, rice, soy flour, beef fat, chicken, fish meal, liver flavor followed at the end by red 40, yellow 5, and blue 6. Yellow 5 and red 40 are considered so carcinogenic that they have been banned by the European Union. Notice how far down the list you find a little bit of chicken and fish meal. Would a pet in the wild eat corn or wheat?

Fromm Puppy Ingredients: Chicken, chicken meal, chicken broth, oatmeal, pearled barley, menhaden fish meal, chicken fat, dried tomato pomace, potatoes, dried egg product, whole oats, salmon oil, dried yeast, whole barley, chicken liver, cheese, flaxseed, carrots, duck, lamb, sweet potatoes, followed by necessary vitamins, minerals, etc. Sells for \$15 for a five-pound bag and your 13th purchase is free.

Fromm Indoor Cat Ingredients: Chicken, chicken meal, brown rice, pearled barley, oatmeal, salmon meal, dried egg product, chicken liver, dried tomato pomace, chicken fat, salmon oil, Miscanthus grass, duck, flaxseed, psyllium, brewer's dried yeast, alfalfa meal, cranberries, dried kelp, chicken cartilage, and vitamins and minerals. \$17.00 for a 4-pound bag and your 13th bag is free. All foods are 100% guaranteed.

Please support all small businesses like ours during the holidays.
Thank you!
